Tennoji MIO Mall

Tennoji MIO is a large scale shopping centre with the floor area of 37,000 m², operated by Tennoji Shopping Center Development Co. Ltd. It has direct access from the JR Tennoji station in Osaka. JR Tennoji Station is one of the key transportation hubs in Osaka City which connects the south and the north areas of the city by easy access to the metro line, Kintetsu line and Hankai line. The centre also attracts visitors from adjacent prefectures such as Nara and Wakayama as well, owing to its superior accessibility.

Store Concept and Characteristics

- Convenient store for everyone's daily reading diet

Enlarged passages among the shelves, low tables and clearly divided areas according to genres give the customers a better visibility and accessibility. An ample space for new arrivals and best sellers along with specialised titles will accommodate various types of customer needs, be it a quick grab to go or a relaxed, luxury browsing.

- Community space for exciting events

In the centre of the store appears a community space specially designed to hold events and to promote selected products. Various events held in this space would add liveliness, making the store more than a place to buy books.

- Selection of attractive stationery and goods

The area near the centre of the store showcases stationery and general goods. Carefully selected from across Japan and all around the world, these items would surely entertain customers with their unique design.
